**MINUTES OF A REGULAR MEETING
CITY COMMISSION**

**CITY COMMISSION MEETING ROOM
CITY HALL
FORT LAUDERDALE, FLORIDA**

SEPTEMBER 17, 2002

Meeting was called to order at approximately 6:15 p.m. by Mayor Naugle on the above date.

Roll call showed:

Present: Commissioner Gloria Katz
Commissioner Tim Smith
Commissioner Carlton B. Moore
Commissioner Cindi Hutchinson
Mayor Jim Naugle

Absent: None

Also Present: City Manager, F. T. Johnson
City Attorney, Harry Stewart
City Clerk, Lucy Kisela
Sergeant At Arms - Sgt. Jordan

Invocation was offered by Dr. Diane Mann, Senior Pastor, 4th Avenue Church of God, followed by the recitation of the Pledge of Allegiance.

Note: All items were presented by Mayor Naugle unless otherwise shown, and all those desiring to be heard were heard. Items discussed are identified by the agenda number for reference. Items not on the agenda carry the description "OB" (Other Business).

Motion made by Commissioner Smith and seconded by Commissioner Hutchinson to approve the minutes of the September 4, 2002 meeting. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

Presentations

OB

1. Expressions of Sympathy

The Mayor and City Commissioners presented an Expression of Sympathy to the family of Dr. Clifford Hoch.

2. Florida Recreation Development Assistance Program (FRDAP) Grant Award - Joseph C. Carter Park

Rona Silverman, Aide to Senator Mandy Dawson and Representative Christopher Smith presented to the Mayor and City Commissioners a grant award from the FRDAP in the amount of \$200,000 for renovations at Joseph C. Carter Park.

3. Magazine and Catalogue Recycling Awards

Commissioner Moore presented this year's Magazine and Catalogue Recycling Awards to the following winners:

- Bayview Elementary School - 1st Place Winner with 18 tons collected \$560.00
- Croissant Park Elementary School - 2nd Place Winner with 16 tons collected \$420.00
- Bennet Elementary School - 3rd Place Winner with 14 tons collected \$380.00

4. Commendation - Dr. Diane Mann

Commissioner Smith presented a Commendation to Dr. Diane Mann. He stated that Dr. Mann had been a missionary in Haiti and then returned to the US and took over the 4th Avenue Church of God. She also was the author of a book entitled "Miracle on 13th Street."

Dr. Mann thanked everyone and stated that she believed they could truly build a community in order to change the world.

5. Fort Lauderdale Navy League Council

Nicholas Dinunzio, President of the Fort Lauderdale Navy League Council presented Mayor Naugle with an Honorary Membership to their Council. Mayor Naugle thanked the Council for promoting the City.

6. Community Appearance Board's "WOW Award" - District 1

Commissioner Katz presented this month's WOW award to Jose and Felicita Molina of 1941 N.E. 55 Street (Knoll Ridge Neighborhood) who had used a color scheme for the painted surfaces that complimented the brick facade of the house. The hues are also reflected in the brick edge of the driveway and entry path. The large tree in the front yard provided a beautiful focal point as well as shade for the home.

Mr. and Mrs. Molina were not present at the meeting, and Commissioner Katz stated she would make arrangements to deliver their award.

7. USAR South Florida Task Force 2

Commissioner Hutchinson recognized the members of the USAR South Florida Task Force 2 who were sent to New York City to assist with "Ground Zero" rescue efforts as a result of the September 11, 2001 terrorist attacks. She presented the members with framed certificates in honor of them being recognized by the United States Congress on April 11, 2002.

Commissioner Hutchinson left the meeting at approximately 6:40 p.m. and returned at 6:41 p.m.

Mayor Naugle thanked Congressman Shaw. He also thanked the firefighters for their rescue efforts.

8. 2002 Historic New River Marathon Committee

Susan Peterson of the 2002 Historic New River Marathon Committee presented a plaque to the Mayor, City Commissioners, and Ernest Burkeen for their support for this event. She exhibited the original 1927 Trophy from the New River Marathon Swim won by Alex Shaw of Davie.

9. Commendation to Peter J. Witschen

Mayor Naugle presented a commendation to Peter J. Witschen, Assistant City Manager, for all

his work. Mr. Witschen had been honored with the prestigious Credential Manager Designation Award demonstrating his commitment to high standards of integrity and life-long learning in professional development. The City Manager stated Mr. Witschen had done a lot of work for employees and the City and wanted to thank him for his 16 years of service.

Mr. Peter Witschen stated that he appreciated the ability to be here and work with such a fine staff and group of citizens.

Consent Agenda

(CA)

The following items were listed on the agenda for approval as recommended. The City Manager reviewed each item and observations were made as shown. The following statement was read:

Those matters included under the Consent Agenda are self-explanatory and are not expected to require review or discussion. Items will be enacted by one motion; if discussion on an item is desired by any City Commissioner or member of the public, however, that item may be removed from the Consent Agenda and considered separately.

The City Manager stated that earlier it was announced that they delete M-14 due to fact that the item had been completed.

Motion made by Commissioner Smith and seconded by Commissioner Hutchinson that Consent Agenda Item Nos. M-6, M-9, M-15, M-28 and Pur 1 be deleted from the Consent Agenda and considered

separately, and that all remaining Consent agenda items be approved as recommended. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

**Transfer of FY 2002/2003 General Fund Contingencies and
Change Order No. 1 - Weekley Asphalt Paving, Inc. - Project 10496 -
Resurfacing of City View Drive**

(M-6)

Commissioner Katz stated that she had pulled this item and stated that they were transferring from General Fund Contingencies for next year. She asked if this would harbor ill for the coming year since they were already taking money out before the Budget had been approved.

Commissioner Smith stated that the recommendation had been to take it out of next year's budget. Mayor Naugle asked when the expenditure would be made. He further stated that the expenditure would be made next year. Therefore, Commissioner Katz asked why this was on today's agenda. The City Manager stated that they needed to award the contract and it was budgeted for this year.

Motion made by Commissioner Smith and seconded by Commissioner Hutchinson to execute the Change Order No. 1 with Weekley Asphalt Paving, Inc. in the amount of \$27,000 for the resurfacing of City View Drive. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

**Task Order No. 12 - Camp, Dresser, and McKee, Inc.
Project 10121 - Lauderdale Manors Utility Improvements
Phase I Resident Services**

(M-9)

Commissioner Hutchinson stated that she had pulled this item. She stated that in the second paragraph they mentioned there were insufficient resources in-house to provide services during construction. She asked if they were going to be the construction managers on this project.

Paul Bohlander, Assistant Utilities Department Director, stated that they would be involved and would have a program presence. A Construction Manager would be assigned to the project.

Motion made by Commissioner Hutchinson and seconded by Commissioner Moore to execute Task Order No. 12 with Camp, Dresser, and McKee, Inc. not to exceed \$229,397 for resident services during construction of the Lauderdale Manors Phase I Utility Improvements Project.

Commissioner Moore stated that this was an ambitious project and was actually a 20-year project that would be completed in 10 years.

Commissioner Hutchinson left the meeting at approximately 6:52 p.m. and returned at 6:53 p.m.

Commissioner Moore remarked that he had attended two meetings in the northwest and southwest quadrants of the City and he remarked that the key to success in this project was keeping the community informed.

Commissioner Smith left the meeting at approximately 6:53 p.m. and returned at 6:55 p.m.

Sheryl Dickey stated that the communities had been informed of this project both by direct mail and through door-hangers. She remarked that there would be kick-offs scheduled for the second and third weeks of October.

Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

**Consulting Services and Other Related Expenses -
David Cardwell, The Cardwell Firm - Konover Site Development
Project (West of I-95 on Broward Boulevard)**

(M-15)

Commissioner Smith stated that he had pulled this item. He asked if this was something that the CRA should vote on prior to the City Commission since it was a CRA expense.

The City Manager stated that they had previously approved this item as the CRA Board.

Commissioner Smith stated they had approved the \$40,000 which had been expended, but this was an additional \$22,000. Mayor Naugle replied that they had stated that if it was more, it would be reimbursed by the developer. The City Manager stated this had the endorsement of the City Attorney. Commissioner Smith asked the City Attorney to check on this matter and report back to the Commission.

Commissioner Smith asked if they were going to meet the deadline for tearing down the old shopping center. Commissioner Moore replied this was to be done 60 days after the signing of the Development Agreement. The City Manager stated that this would hopefully be completed by the end of the year.

Faye Outlaw, Interim Director of Community and Economic Development, stated that one of the issues regarding this demolition, which had still not been settled, was the release from HUD for Lakeview Gardens. She believed this would be settled soon and then the demolition could be expedited.

Commissioner Moore left the meeting at approximately 6:57 p.m. and returned at 6:59 p.m.

Commissioner Smith reiterated that it was necessary to tear down this shopping center. He realized they were concerned about Lakeview, but he felt the area was covered by large trees. He also stated that it looked like the Developer's Agreement was delayed.

Peter Witschen, Assistant City Manager, stated that he was optimistic about the Development Agreement. He stated it would be back on the Commission's agenda for October 1, 2002 stating that it had been signed or describing the next step in the process. The demolition would also be moving forward.

Motion made by Commissioner Moore and seconded by Commissioner Hutchinson to authorize the CRA to utilize the Konover Project Land Inventory Account in the amount of \$22,000 for David Cardwell. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

**Reject Responses to Request for Proposals (RFP) -
Lease and Development of Former New River U.S. Post Office Property**

(M-28)

Commissioner Hutchinson stated that she had pulled this item. She stated that she did not want to reject them because in reviewing the RFP she read a clause which related to variances. She felt they were moving rather slow on this matter and wanted to hear the presentations that had been submitted. She suggested they schedule a time according to suggestions from Chuck Adams.

Chuck Adams, Redevelopment Services, stated that if the Commission desired to hear the two proposals, they recommended that they be brought before the Commission at either of the October meetings. He

stated that the Evaluation Committee structure they had recommended was not going to give a ranking, but due to the irregularities in how the proposals came in, he felt it would be best for the Commission to hear the matter directly and all information would be supplied.

Commissioner Katz stated that she did not feel they had to rush into this and suggested that the matter be discussed further.

Commissioner Moore asked if there was a consensus of the Commission to change the parameters. He suggested they state that the perspective proposals be for non-residential and non-residential mixed use.

Commissioner Hutchinson left the meeting at approximately 7:00 p.m. and returned at 7:01 p.m.

Commissioner Smith stated that what was in his mind when he voted against residential was a standard condominium or townhouse project. One of the proposals was a live/work space for artists which was a different scenario than what they had been concerned about. He suggested they move ahead. He felt that one of the proposals was very intriguing and wanted to obtain more information on it.

Commissioner Moore agreed, but he felt if the rules were going to be changed, possibly they would receive other ambitious projects which would be just as innovative. He felt there were other interested parties who might respond. He stated that he had no objections regarding the desires of the majority of a residential component being considered, but he was concerned that others did not respond because they felt the Commission would not accept it.

Motion made by Commissioner Hutchinson and seconded by Commissioner Smith to accept the bids and proceed to the next step of hearing presentations.

Commissioner Smith asked if the RFP could be re-opened for another 30 days with the understanding that creative residential uses could be acceptable. Mayor Naugle replied he felt that could not be done because both parties who had submitted bids also supplied their figures.

Chuck Adams remarked that both proposals had proposed substantial rent to the City and the information would be exposed to other perspective proposers under the same conditions.

Commissioner Smith stated that nothing would disallow the present proposers to sharpen their pencils and submit a better proposal. He felt this was not the proper way to handle this. He stated that he did like the proposers and found them quite interesting and that was why he would consider adding the residential component, but he did not feel it was appropriate to close the door on other proposers.

Roll call showed: YEAS: Commissioners Hutchinson, Smith and Mayor Naugle. NAYS: Moore and Katz.

322-8705 – Award of HOME CHDO Grant Funding

(Pur - 1)

Commissioner Smith stated that he had pulled this item. He stated it was his understanding that they were taking single-family homes and giving a company money to renovate them, but rentals were going back into them, instead he would like to see them turn into a home ownership development.

Faye Outlaw, Interim Director of Community and Economic Development, stated that this particular request was for the acquisition and rehabilitation of foreclosure units. This initiative had been approved in the annual plan by the Commission, and ultimately was approved by HUD. She explained that this would provide a lease with an option to buy to the families.

Motion made by Commissioner Smith to award HOME CHDO grant funding.

Commissioner Moore stated that he wanted to speak against this item. He wanted these properties sold outright.

Philip Goombs, Executive Director of Fort Lauderdale Housing Authority and Housing Enterprises, Inc., stated that they were a non-profit organization. He explained they had purchased several foreclosures from HUD and all the single-family homes were being offered for sale. He stated that he would present Commissioner Moore's suggestion to his Board. He further stated that they did have a list of prospective low-income families.

Commissioner Moore stated that if the homes were offered for sale he would be very happy and asked Mr. Goombs if that was going to be done. Mr. Goombs stated he would take the suggestion to the Board and if the Board approved, it would be done. He further stated that when the homes were renovated they could not leave them empty so while they were looking for buyers, they would rent the property in order to prevent vandalism. Commissioner Moore stated with these two houses he would prefer to have them pre-qualify someone before they were leased.

Ms. Outlaw stated that this project was designed and approved by HUD, therefore, they had to go through a form of amendment process because the scope of the project had been changed. Meantime, she stated that the Housing Authority could look for buyers and then both processes could take place.

Motion was seconded by Commissioner Hutchinson. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

MOTIONS

Those matters included under the Motions category differ from the Consent Agenda in that items will be voted on individually. In addition, presentations will be made on each motion item if so desired.

Victoria Place, LLC v City of Fort Lauderdale**(M-29)****Case No. 02-017074(11) - Protection of Ficus Tree No. 52 - Victoria Park**

A motion ratifying the application for historic designation of a ficus tree in Victoria Park filed by Mayor Jim Naugle on August 15, 2002; and further setting a date to determine whether criteria exists to identify the Ficus tree as a "protected tree."

Mayor Naugle stated that while Commissioner Smith was on vacation, he read the resolution passed by the City Commission stating that the City had the option of filing an application for historic designation. He signed a form and now wanted to know how Commissioner Smith proposed to proceed.

Commissioner Smith stated that the neighborhood had asked him to help in any way he could to save the tree. He also received a letter asking for his help. He reiterated that this was not just a big tree, but he believed it was the largest Banyan tree in the City. He further stated that they had attempted to negotiate with the developer to save the tree, but the developer did not feel he could do it. Commissioner Smith stated this was a great tree and asked to move ahead on this item.

Commissioner Moore asked if this was a Ficus tree. Commissioner Smith replied it was a Banyan tree which was a form of Ficus similar to the ones at the War Memorial. Commissioner Moore asked what criteria would be used to deem the tree historic. Commissioner Smith explained that there was another strategy that could be used besides designating it historic.

Harry Stewart, City Attorney, explained that this motion was due to an application filed by the Mayor for

historic status based upon direction from the Board to protect the tree. The Historic Commission met and determined that unless the tree was tied to a site or a person, it was not likely to obtain historic status. He further explained there was a provision in the Ordinance for protection of the tree. The Ordinance provided that you could give the tree "protected tree status." If the Commission decided to treat the application as an application for "protected status" a hearing could be scheduled for a future date and then a determination would be made. Mr. Stewart further explained that the developer had filed a lawsuit because they had gone partially through the permitting process and in the middle of the process, it was discovered that this tree needed protection. The hearing on Thursday would be a motion for mandatory injunction. This was difficult to get, but they might succeed. Mr. Stewart stated that the Commission needed to decide if they wished to continue the process and give the tree a "protected status."

Commissioner Moore asked if Ficus trees were considered nuisance trees. Mayor Naugle remarked that some Ficus trees were protected and other species were not protected. Commissioner Smith clarified that Ficus Class C or lower were considered nuisance trees, but this did not pertain to this tree.

Arnie Glaser, Attorney for Victoria Place, LLC, stated that a lawsuit had been filed by the developer seeking to compel the City to allow him to remove the tree. A hearing was scheduled for this Thursday. At an earlier hearing in this action, Judge Lynch of the Broward County Circuit Court entered an Order which provided as follows: "Neither the City nor Plaintiff shall take further action with respect to the Ficus tree." He proceeded to distribute copies of the Order to the City Commission. Mr. Glaser stated that they felt that the action being contemplated in Item M-29 would violate the Order and would constitute further action with respect to the tree. He continued stating that if the Commission moved forward, they would raise this issue to the Judge on Thursday. Their objections had been voiced in a letter written by Michael Moskowitz to the City Attorney on September 13, 2002 which was being submitted to the Commission for the record.

Commissioner Moore asked the City Attorney if it was inappropriate for the Commission to take action on this matter.

Harry Stewart, City Attorney, stated that it depended on what action the Commission was taking. He explained they were not taking action with respect to the Ficus tree, but were taking action in respect to the process itself. He continued stating that he and Mr. Moskowitz had interlineated some language and suggested the City would take no formal action. Mr. Moskowitz agreed that was basically what he had said. He explained that he believed it would be difficult for the developer to get a Writ of Mandamus because he would have to show that there was no adequate remedy at law before the Judge would issue it. In fact, there was a remedy at law, which was damages.

Commissioner Hutchinson stated that this had gone through the permitting process, and therefore, the City was going to permit the developer to remove the tree.

Cecelia Hollar, Director of Construction Services, stated that the developer had gone through the Development Review process and were in for building permit. She further stated that Dave Gennaro would explain the type of tree it was and why during the process it was not identified as a "protected tree."

Dave Gennaro, Chief Landscape Plans Examiner, explained that the botanical name of the tree was Ficus Bengalensis which was a native of India. The common name was Banyan. Under the current Code this tree was prohibited from being planted or transplanted in the City. It was a Class D in the table of evaluation. He further explained that he had issued approval for the removal of the tree as part of the general permit process.

Commissioner Hutchinson clarified that staff considered the tree a nuisance. Dave Gennaro stated that some Ficus were specimen trees which had protective status, but this particular species did not have such status. Mayor Naugle remarked that the Strangler Fig was a native species.

Cecelia Hollar added that this issue had been raised due to the age of the tree which was documented as 60 years or older, along with the size of the tree were criteria that could be considered if the Commission decided to protect it. Under the normal process, a Ficus tree would not be protected.

Motion made by Commissioner Smith to proceed forward. Mayor Naugle clarified that this motion would set up a public hearing on whether to designate this tree or not. The City Attorney confirmed and explained that at a future time there would be a hearing regarding designation.

Commissioner Moore stated that since the Court hearing would be held on September 19, 2002, he suggested this matter be deferred to the Commission's October agenda, and meantime people could visit the site.

Commissioner Smith asked the City Attorney if this would be appropriate or should they proceed tonight with a determination. The City Attorney stated that the Commission had to determine their position, and if they wanted to proceed and take up this "fight," they would have to proceed at tonight's meeting.

Motion made by Commissioner Smith and seconded by Commissioner Hutchinson that they proceed to ratify the application filed by the Mayor and set the date of October 15, 2002 at 6:00 p.m. to determine whether the Ficus tree would be designated as a protected tree.

Ted Fling, President of Victoria Park Civic Association, stated he was in a difficult position. When they became aware of the proposed development, they discussed the entire project with the developer. People decided to keep the tree and presented a petition with 101 names to protect the tree. He explained that it did not represent the majority of the homeowners in Victoria Park, but as a result of a meeting after-the-fact, he asked Commissioner Smith to preserve the tree.

Commissioner Smith asked Mr. Fling if he wanted him to continue to preserve the tree. Mr. Fling stated he had to represent what the people wanted, and that was to preserve the tree.

Commissioner Moore clarified the matter and proceeded to ask how much it would cost the City to stop the developer from removing this tree. The City Attorney stated that was an issue that would be determined by the judiciary. Commissioner Moore asked if the City had a cap as to what they were willing to pay or was the amount opened. The City Attorney stated that the cap would probably be \$300,000.

Commissioner Moore called the question. Commissioner Smith asked if it was possible that it would not cost the City any money to protect the tree. The City Attorney stated that if the City prevailed in the litigation, they would pay nothing. Commissioner Moore asked if this matter was voted down this evening could they still have a public hearing at a later date after the Judge had reviewed the matter. The City Attorney confirmed.

Roll call showed: YEAS: Commissioners Hutchinson, Katz, Smith and Mayor Naugle. NAYS: Moore.

Proposed Lien Settlements for Special Master and Code Enforcement Board Cases

(M-30)

Mayor Naugle asked if anyone in the audience disagreed with staff's recommendations regarding the proposed lien settlements.

Commissioner Smith stated that these had been deferred because the Commission had agreed to discuss the strategy for reducing fines and liens on quality of life type issues. He had asked that this be discussed in conference, but it was put on this agenda. He felt this was not appropriate and stated that he wanted Mr. Simmons and his department to receive some policy direction regarding these matters. He

further suggested that they hear the item for which an individual was present, but defer the remaining items to the conference meeting. He felt this was an important item regarding the community and it should not be ignored.

Mayor Naugle stated that he felt this could be discussed at tonight's meeting. Commissioner Smith agreed.

John Simmons stated that he wanted to pull Item No. 5 due to the fact that the owner made some promises during negotiations.

Mayor Naugle reiterated that the Commission had stated they would maximize the fines where bad faith had been exercised, but some cases involved property that was involved in probate and some property had very little equity. He felt the matter should be discussed on a case-by-case basis and all the circumstances weighed.

Commissioner Moore stated that he was concerned because the Commission had given a directive that there be a minimum of 15% of any fine proposed. Many times they were receiving a lot less than 15%.

Mayor Naugle remarked that in some cases it should be 100%. Commissioner Moore agreed, but they did not negotiate for the 100%. He stated that in the future they should follow policy which was 15%. He stated that a large percentage of the property owners were individuals who had equity in property and had many investment properties that just did not follow the Code.

John Simmons stated that since the last meeting all fines had been 15%. Mayor Naugle remarked that Item No. 3 was 10%. Mr. Simmons stated that in the future they will attempt to do a better job, and emphasized that they would not go below the 15%.

Motion made by Commissioner Moore and seconded by Commissioner Hutchinson to move that a 15% fine be collected regarding the property located at 1551 N.W. 6 Street and seconded by Commissioner Hutchinson. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, and Mayor Naugle. NAYS: Smith.

Mayor Naugle proceeded to Case Nos. 1 and 2 and explained that the fines were set at 10% and 15%.

Motion made by Commissioner Moore and seconded by Commissioner Hutchinson that fines be collected as set regarding the properties located at 1707 N.W. 6 Street and 1040 N.W. 4 Avenue. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, and Mayor Naugle. NAYS: Smith

The next item up for discussion was Item No. 4 located at 1131 S.W. 25 Avenue. He explained that this property had fines set at 10%.

Motion made by Commissioner Moore and seconded by Commissioner Hutchinson that fines be collected at 10% regarding the property at 1131 S.W. 25 Avenue. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith, and Mayor Naugle. NAYS: None.

Mayor Naugle stated that Case No. 5 had been deleted. He proceeded to Case No. 6 which was located at 2180 N.E. 63 Court.

Motion made by Commissioner Moore and seconded by Commissioner Hutchinson that fines be collected at 15% regarding the property at 2180 N.E. 63 Court.

Commissioner Smith stated that he could support this because the nature of these violations pertained to permitting. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith, and Mayor Naugle. NAYS: None.

Mayor Naugle proceeded to Case No. 7 and stated the fines were set at 15% for the property located at 918 N.W. 24 Avenue.

Commissioner Hutchinson stated that this had been brought before the Commission in May at the request of the District Commissioner, and the settlement was being presented again for reconsideration for the reduction of fines. Originally, it was not approved by the District Commissioner and she asked if it was still set at 15%. John Simmons confirmed. Commissioner Moore replied that he had an opportunity to understand the situation.

Motion made by Commissioner Moore and seconded by Commissioner Katz to approve the collection of fines at 15% in relation to the property located at 918 N.W. 24 Avenue. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, and Mayor Naugle. NAYS: Smith.

The last item was Case No. 8 located at 1120 S. W 18 Court which was recommended at 15%.

Motion made by Commissioner Moore and seconded by Commissioner Hutchinson to approve the collection of fines at 15% against the property at 1120 S.W. 18 Court.

Julie Petkevich asked if it was possible to obtain some leniency regarding this fine. Her husband had been in an automobile accident and was currently disabled. Commissioner Hutchinson stated the fine was set at 15%. Commissioner Smith asked if the City had offered any help to Mrs. Petkevich. Mrs. Petkevich stated no one offered to help. Commissioner Smith suggested that Code Enforcement attempt to find some assistance for families which had serious hardships. Photographs of the property were shown to the Commission.

Commissioner Katz asked if possibly the fine could be reduced due to the family circumstances. Commissioner Hutchinson asked how many times Code Enforcement had visited the property. John Simmons replied that since 1989 they had been out to the property approximately 20 times and the current property owners had owned the property since 1976.

Commissioner Hutchinson stated that the fine would stay at 15%.

Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith, and Mayor Naugle. NAYS: None.

Fiscal Year 2002/2003 Budget

(PH-1)

The second public hearing on the proposed millage rate and tentative budget of the City of Fort Lauderdale for the fiscal year beginning October 1, 2002 and ending September 30, 2003. Ordinance No. C-02-22 was published August 22 and August 29, 2002, and passed on first reading September 4, 2002 by a vote of 5-0.

Terry Sharp, Assistant Finance Director, stated that the millage rates had been tentatively approved operating 4.8472 and debt service voter approved 0.4213 for a combined millage rate of 5.2685. He stated that Commission had tentatively approved the millage rates which would reduce the City tax bill for the average homeowner. The rates represented about 22% of the total tax bill, and the property tax represented about 25% of the resources of the All Funds City Budget, and represented about 33% of the resources for the General Fund. The All Funds Budget tentatively approved and on tonight's agenda for final adoption was \$345.2 Million, which included \$206.1 Million in General Fund covering Police, Fire, Parks and Recreation, and part of Public Services. \$119.2 Million was for enterprise funds which included Parking, Water and Sewer, Executive Airport, Storm Water and Sanitation Services. \$14.2 Million was for debt service for the construction of capital improvements, and the purchase of major equipment. \$5.6

Million was for special revenue funds primarily for the CRA budget. The General Fund as tentatively approved would increase 7.3% and the All Funds budget would stay at the same expenditure level as the current fiscal year's budget.

Terry Sharp proceeded to explain that increases in the budget, particularly the General Fund included the cost of running City elections for February and March of the upcoming year; City funding for police positions formerly funded by grants; increased costs for City employee pension plans; implemental increase in the employee compensation costs based upon Union agreements and corresponding adjustments for non-bargaining unit employees; and the cost of serving new annexed areas. Based upon tonight's adoption of the budget, a final budget document would be prepared and would be available to the public.

Christine Thrower, Women in Distress of Broward County, stated that she wanted to encourage the Commission to reconsider their position in regard to funding social service agencies in the City.

Commissioner Hutchinson left the meeting at approximately 7:51 p.m. and returned at 7:52 p.m.

Barbara Weinstein, Family Central, stated that they served over 70,000 children in three counties, and the only way to receive monies was through securing the local match. For every dollar the City contributed, they receive \$16.40.

Commissioner Moore left the meeting at approximately 7:52 p.m. and returned at 7:54 p.m.

John Gargano, Broward Grandparents, stated that this group has been in existence since 1965 and were a 501 c 3 and represent a national program called Foster Grandparents and Senior Companions. He explained that they attempted to help low-income elderly. Commissioner Smith asked if the City had funded this group last year. Mr. Gargano replied they had received \$9,701 from the City last year.

Commissioner Moore stated that at last month's meeting he had asked the representative from Family Central why the money they received from Children's Services could not be used as a match. Ms. Weinstein explained that the funding did not run through Family Central. It went from Children's Services directly to the Coalition and was not used for matching, but for taking children off the waiting list. She further explained that the \$40,000 received last year brought in \$660,000. Commissioner Moore asked Ms. Weinstein if she could go back to Children's Services Board and request the \$40,000 so she could still obtain the match. Ms. Weinstein stated that her original thought was to use the money for another match called the Purchasing Pool, and because they could not access the State match they wanted to hold the money harmless so they could use it for the waiting list.

Commissioner Moore asked if the process used in the past through the Community Service Board was a better process in obtaining funds. She stated anything which brought out the awareness of what was happening to children was not negative. She believed that anything that could be done to help the children in Florida was positive.

Commissioner Moore asked how the other funding processes worked that her group used. Ms. Weinstein explained that the cities operated similar to how Fort Lauderdale had operated in the past. Some have a Community Development Board which they access and there was an opening and closing date whereby everyone has the opportunity to apply for the money. The decision was normally made through the budget process. Commissioner Moore asked if Ms. Weinstein felt that was a fair process. Ms. Weinstein stated they did not have a problem meeting the required criteria.

Roosevelt Walters, resident, stated that he had no real problem with the budget, but he was concerned about the Social Services aspect dealing with children. He asked the Commission to use the process that had been used in the past for the distribution of the funds. He stated that he was disturbed that they might not have the necessary people to lobby for funds for the various programs and the communities

would suffer. He urged the Commission to put money in the budget for such services and use the past processes regarding distribution.

Nathaniel Wilkerson stated that he was speaking for the northwestern section of the City and explained that approximately \$300,000 had been allocated to their community last year and a portion of the funds were given to a program that supported a football team. He believed these activities kept children out of trouble and gave them something positive to work towards.

Commissioner Moore left the meeting at approximately 8:09 p.m. and returned at 8:10 p.m.

Commissioner Smith stated that the Commission did vote to fund the football team for \$10,000.

Commissioner Katz left the meeting at approximately 8:09 p.m. and returned at 8:10 p.m.

Johnny Alexander explained that their program had been in existence for several years and was run mainly by volunteers. He further stated that they had produced more than 12 NFL professional football players and the players had given back to the community through financial contributions and by personal coaching upon their retirement. He urged the City to continue helping their program and thanked them for their efforts.

Motion made by Commissioner Moore and seconded by Commissioner Smith to close the public hearing. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith, and Mayor Naugle. NAYS: None.

Motion made by Commissioner Smith and seconded by Commissioner Hutchinson to move the Budget for Fiscal Year 2002/2003 upon second reading with the addition of a \$6,000 appropriation to Women in Distress and a \$9,000 donation to Broward Grandparents. He stated they would still keep in the budget the \$10,000 for the football team.

Commissioner Katz stated that she wanted to add to the amendment. Commissioner Katz added to the Motion to include a donation of \$40,000 to Family Central, which was seconded by Commissioner Hutchinson. Commissioner Smith stated that as maker of the Motion he would accept the amendment.

Commissioner Moore stated that he agreed with the proposed Amendments, but he did not agree with how things were being done. He suggested they consider placing the same amount as in last year's budget for the programs and have them go through a Community Services Board for evaluation so every entity would know the amount of money that was on the table and the time lines.

Commissioner Moore believed that with the adoption of tonight's budget and its amendments, individuals would now feel that they could no longer make requests to the Commission. He felt that would offer the community a level playing field.

Mayor Naugle stated that a millage rate had been advertised and the donations would have to be taken from the existing funds. He further asked from what source did Commissioner Moore want the additional funds to be taken from. Commissioner Moore stated there were many sources, including the Contingency Funds, the Reserve money in parking, Community Development Block Grant money, the Manager's budget, and the Commission's budget. Basically, he felt funds could be reallocated.

Commissioner Moore asked what was the size of tonight's budget. The City Manager stated that the Operating Budget was in excess of \$345 Million. Therefore, if the monies for the additional donations were taken from that budget, the percentage would be less than .1%.

Commissioner Hutchinson agreed, but stated that Women in Distress had received \$12,000 last year and she felt it was only fair that they receive the same amount. Commissioner Moore stated that if

Commissioner Hutchinson was going to agree with his motion, he felt that the Community Services Board would have the opportunity to evaluate the application process and meet the goal.

Mayor Naugle reminded everyone that there was a motion and a second on the budget amendment. Commissioner Hutchinson stated that regarding the amendment, she would encourage the Commission to accept the addition of the \$6,000. Commissioner Smith stated that he misunderstood and thought the funding had been for \$6,000, and as maker of the Motion he was willing to accept the \$12,000 figure. Commissioner Hutchinson seconded.

Commissioner Katz stated that the Commission had already made a decision to proceed in a certain fashion for this year, and she felt they should just vote on the budget.

Commissioner Smith agreed with Commissioner Katz and stated that the majority of the Commission did decide that if money was returned to the budget, it would be spent. They had decided that if community organizations were in dire need and wanted the City to fund their requests, they could approach the Commission. Everyone was aware of the change in procedure and people had come forward and made their requests.

Commissioner Moore clarified that after tonight's meeting, no other entity could approach the Commission for funding. Mayor Naugle confirmed and stated that they would need three votes. Commissioner Smith stated that he agreed with the Mayor. Commissioner Moore stated that the City's millage rate and tax rates had always been handled and watched prudently.

Roll call on the Budget Amendments showed: YEAS: Commissioners Hutchinson, Katz, and Smith. NAYS: Commissioner Moore and Mayor Naugle.

Commissioner Smith introduced the following resolution:

RESOLUTION NO. 02-152

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF
FORT LAUDERDALE, FLORIDA, ESTABLISHING THE MILLAGE
RATE TO BE LEVIED BY THE CITY OF FORT LAUDERDALE FOR
THE FISCAL YEAR BEGINNING OCTOBER 1, 2002 AND
ENDING SEPTEMBER 30, 2003.

Which resolution was read by title only. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith, Mayor Naugle. NAYS: None.

Commissioner Smith introduced the following ordinance on second reading:

ORDINANCE NO. C-02-22

AN ORDINANCE ADOPTING THE APPROVED BUDGET OF THE
CITY OF FORT LAUDERDALE, FLORIDA FOR THE FISCAL YEAR
BEGINNING OCTOBER 1, 2002, AND ENDING SEPTEMBER 30, 2003.

Which ordinance was read by title only. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith, Mayor Naugle. NAYS: None.

**Fiscal Year 2002/2003 Sunrise Key Neighborhood
Improvement District**

(PH-2)

The second public hearing on the tentative budget of the Sunrise Key Neighborhood Improvement District for the fiscal year beginning October 1, 2002 and ending September 30, 2003.

Terry Sharp, Assistant Finance Director, stated that the Sunrise Key Neighborhood Improvement District was proposing a 1.5 millage rate and most of the money would be used for security and other services in the area.

Motion made by Commissioner Moore and seconded by Commissioner Hutchinson to close the public hearing. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith, Mayor Naugle. NAYS: None.

Commissioner Smith introduced the following resolution and seconded by Commissioner Hutchinson to establish the proposed millage rates as follows:

RESOLUTION NO. 02-153

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF
FORT LAUDERDALE, FLORIDA, ESTABLISHING THE MILLAGE
RATE TO BE LEVIED BY THE CITY OF FORT LAUDERDALE FOR
THE SUNRISE KEY NEIGHBORHOOD IMPROVEMENT DISTRICT
FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2002 AND
ENDING SEPTEMBER 30, 2003.

Which resolution was read by title only. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

Motion made by Commissioner Moore and seconded by Commissioner Hutchinson to approve the final budget for Sunrise Key Neighborhood Improvement District Fiscal Year 2002/2003.

Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

**Fiscal Year 2002/2003 Budget for the Fort Lauderdale
Community Redevelopment Agency (CRA)**

(PH-3)

A public hearing to consider a motion to adopt the budget for the CRA for the fiscal year beginning October 1, 2002 and ending September 30, 2003.

Terry Sharp, Finance Department, stated that the purpose of this public hearing was to take comment as the Commission. The budgets had already been adopted as the CRA.

Motion made by Commissioner Smith and seconded by Commissioner Hutchinson to close the public hearing. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

Motion made by Commissioner Smith and seconded by Commissioner Hutchinson to approve the budget for the CRA for the fiscal year 2002/2003. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

**Application of Dock Waiver of Limitations and Settlement
with Mark Stephenson - John E. Rudnik - 2807 N.E. 36 Street**

(PH-4)

A public hearing to consider a resolution authorizing the proper City officials to waive the limitations under Section 47-19.3(d) of the City's Unified Land Development Regulations (ULDR) to allow John E. Rudnik to modify and maintain a dock and boat lift that extends in the Rio Mary Rita canal a maximum distance of 18 feet from the property line, where only an 11.5 feet distance is otherwise permitted. Notice of public hearing was published November 8 and 15, 2001; on November 20, 2001, the City Commission deferred consideration of this item to January 8, 2002 by a vote of 5-0; on January 8, 2002, the City Commission deferred consideration of this item to March 19, 2002 by a vote of 5-0; on March 19, 2002, the City Commission deferred consideration of this item to June 18, 2002 by a vote of 5-0; and on June 18, 2002, the City Commission deferred consideration of this item to September 17, 2002 by a vote of 5-0.

Commissioner Moore left the meeting at approximately 8:26 p.m. and returned at 8:28 p.m.

Commissioner Hutchinson left the meeting at approximately 8:26 p.m. and returned at 8:27 p.m.

Jamie Hart, Supervisor Marine Facilities, stated that this was for a dock waiver to extend an existing boatlift 20 feet into the adjacent waterway with an overall width of 115 feet. The Marine Advisory Board previously recommended that the applicant remove any excess extension to the cradle arms. Since this was an elevator lift, the Advisory Board had concerns about the structural feasibility of the extension to the lift which was a maintenance platform. Therefore, they recommended that the 24 inch catwalk on the existing platform should be removed where structurally feasible due to concerns from the adjacent property owner regarding safety, ingress, and egress.

Mr. Hart remarked that staff had reviewed the application and observed affected properties both from land and water, and found no safety issues with regard to the present configuration once the applicant installed the guide poles on the elevator lift as required by Code. The applicant was asking the Commission to revisit the request which had originally been deferred on November 20, 2001 in order to draft a proposed canal end ordinance, but now wished to proceed with approval of the existing boat lift not to exceed approximately 20 feet and would provide an appropriate fender system should there be a safety concern associated with a 24 inch catwalk.

Walter Morgan, attorney, stated that he was representing Dr. Rudnik. He explained that a mediation session was held between the City and Mr. Rudnik in an attempt to solve the problem for canal end owners. A draft was proposed for the Ordinance on September 4, 2002 to the City Commission. He stated that the property owner bought the house in 1997 and already owned his boat. He then applied for a building permit for the boat dock and the permit was issued. No one informed him about the Waiver of Limitations.

Commissioner Moore left the meeting at approximately 8:30 p.m. and returned at 8:31 p.m.

Mark Stephenson stated that this proposal was a settlement between Mr. Stevens, Dr. Rudnik and himself. He explained that he was not aware that this matter was going to be heard. He emphasized that there was no settlement between the parties. He also stated that the issue of the side setback rules had no relevancy to the Rudniks. He explained that was not true because their boat was in the 5 foot setback and there was a 10 foot setback in the neighborhood. He further stated that the neighbors had been very agreeable regarding the water rights since the decisions made by the Commission on

November 20, 2001. He stated that he was the only person harmed by the proposed Ordinance. He did not have a boat behind his house and did not report his neighbors who were not in compliance. He asked the Commission to link these together so they could have reasonable water rights.

Mr. Stephenson continued stating that it was suggested by staff that fenders be placed as a substitute and safety issue relative to his property and this would be a viable substitute. Mr. Morgan stated that everyone agreed about the fenders. Mr. Stephenson stated that he did not agree. He had been shown fender material, but had not been shown any type of design, nor was he informed of the durability of the material. He felt if this was a viable solution, then he should have been approached. He felt this matter should be deferred and that a universal settlement should be given as originally proposed.

Commissioner Smith stated that the other property owner had been holding for a long time. He clarified the problems that Mr. Stephenson had were due to having a pie-shaped lot. Commissioner Moore asked if the setbacks were reduced to 5 feet would that help the situation. Mr. Stephenson replied it would increase the size of the boat he would be permitted to have from 4 feet 8 inches to 15 feet even though he had 40 feet of waterfront.

Commissioner Smith asked what could be a viable solution.

Mr. Stephenson stated the best solution would be to adopt the proposal originally made by City staff whereby the setbacks would be reduced to 2.5 feet.

Mayor Naugle asked for a clarification as to why this was listed as a settlement agreement. *Chuck Adams*, Redevelopment Services, stated that this item was listed in this fashion due to the fact this was the way the matter had been originally advertised. He also stated that there was no settlement agreement and it was simply for a dock waiver.

Commissioner Katz asked the City Attorney why it was permissible to separate this issue from the setback issue.

The City Attorney stated that he had been asked if the matters could be separated. He replied they could be separated, but had been put together as an accommodation due to the dispute between the neighbors. Staff agreed to review the ordinance regarding waterfront. He added that Robert Dunkel had been handling this matter, but was unable to attend tonight's meeting.

Commissioner Katz stated that part of the problem was that in reaching the proposed settlement an agreement was not reached by the property owners, and therefore, more discussion was necessary. She felt the matters should be separated and she did not feel that anyone should be looking for hidden motives. There was a problem, but there had to be a city-wide agreement on this matter. She believed that the waiver issue could be addressed separately.

Commissioner Moore asked what the time period would be if the ordinance issue was deferred. *Chuck Adams* explained that the first reading of the ordinance would be at the first Commission meeting in October. If this was deferred, the Assistant City Attorney requested that it be deferred until the Commission's second meeting in November giving everyone more time to reach an agreement.

Walter Morgan stated that the setback issue did not involve his client.

Commissioner Moore asked what the problem was with the 2.5 foot setback that had been adopted by Planning and Zoning and the Marine Advisory Board. He stated that he was willing to address the matter and it would end the debate about the waiver and the delay. He suggested they defer the waiver matter until October 15, 2002.

Motion made by Commissioner Moore and seconded by Commissioner Hutchinson to close the public

hearing. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

Motion made by Commissioner Moore to defer the item until the first reading of the ordinance.

Commissioner Katz stated that by doing that they were dragging out two separate issues and lumping them together. She felt it would be better to handle the issues separately.

Motion died for lack of a second.

Mr. Morgan stated that his client was in complete support of the 2.5 feet and he just wanted to obtain the waiver.

Commissioner Hutchinson stated that this needed to move forward, but she was concerned about the fact that this had been presented as a settlement agreement. She suggested that this all come back on October 15, 2002.

Mr. Adams explained that if the Commission wanted this matter deferred that it be deferred until November 19th to allow the settlement agreement to be prepared.

Commissioner Smith stated that he was sympathetic to the points Mr. Stephenson made and he felt they should work towards a settlement. The problem was that the northeast community was where these problems arose, and it was not certain if 2.5 feet would be correct. If this was passed this evening, it might work for one person, but mess up things for others. He reiterated that Mr. Morgan's client was involved only because he lived next door and friction occurred with the neighbors. He felt this could not be solved this evening. He felt this matter should be moved and that Commissioner Katz reach some conclusion about the pie-shaped lots and let the gentleman have some relief.

Motion made by Commissioner Smith and seconded by Commissioner Katz to approve the waiver.

Commissioner Moore stated that what concerned him was that if this was not a settlement agreement tonight, why would it be one on November 5th because they would still be two separate issues.

The City Clerk stated that there were two options available. Mayor Naugle asked if the motion included the catwalk or the 18 foot boat lift without the catwalk. Commissioner Smith clarified that his motion did not include the catwalk, but did include the bumper system. Mayor Naugle stated that he thought the bumper system was attached to the catwalk, and then the poles were also added. Commissioner Smith agreed.

RESOLUTION NO. 02 -

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA, WAIVING THE LIMITATIONS OF SECTION 47-19.3.b OF THE CODE OF ORDINANCES OF THE CITY OF FORT LAUDERDALE TO ALLOW JOHN E. RUDNIK TO MAINTAIN A BOATLIFT ATTACHED TO A DOCK THAT EXTENDS INTO THE RIO MARY RITA CANAL A MAXIMUM DISTANCE OF 20.0 FEET FROM THE PROPERTY LINE FOR THE PROPERTY LOCATED AT 2807 N.E. 36TH STREET, SUBJECT TO CERTAIN TERMS AND CONDITIONS.

Which resolution was read by title only. Roll call showed: YEAS: Commissioners Katz and Smith. NAYS: Commissioners Moore, Hutchinson, and Mayor Naugle.

Mayor Naugle clarified that the Waiver of Limitations had been voted down and stated he hoped this did

not prevent the property owner from applying again. He explained that if this continued to be a problem, they could have a motion to reconsider and then have a motion to defer so everything could be settled at the same time.

The City Attorney stated that if a motion was going to be made to reconsider and then defer, it would have to be from someone on the prevailing side. Commissioner Moore replied that he would like to try and accomplish that and asked that this be deferred.

Motion made by Commissioner Moore and seconded by Commissioner Hutchinson to reconsider the motion. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Smith and Mayor Naugle. NAYS: Commissioner Katz.

Motion made by Commissioner Moore and seconded by Commissioner Hutchinson to defer this matter until October 15, 2002.

Commissioner Katz stated that the setbacks were due to come before the Commission at a public hearing on October 1, 2002 at 6:00 p.m. Mayor Naugle stated that they were due for a first reading on that date.

Roll call showed: YEAS: Commissioners Moore, Hutchinson, Smith and Mayor Naugle. NAYS: Commissioner Katz.

Vacate a Portion of N.E. 17 Way - Brett Tannenbaum
(PZ Case No. 1-P-02)

(PH-5)

At the Planning and Zoning Board regular meeting on July 17, 2002, it was recommended by a vote of 5-1 that the following application be approved. Notice of public hearing was published September 5, and 12, 2002. (Also see Item PH-6 on this Agenda)

Applicant: Brett Tannenbaum
Request: Vacate a Portion of N.E. 17 Way
Location: N.E. Way and N.E. 17 Terrace, south of N.E. 11 Street
between N.E. 17 Avenue and Victoria Park Road

Motion made by Commissioner Moore and seconded by Commissioner Smith to close the public hearing. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith, and Mayor Naugle. NAYS: None.

Commissioner Katz stated that this was the same person who owned the properties and kept them in horrible condition. One of the reasons that the Homeowner's Association was anxious to do something was because the property had been allowed to deteriorate. This property owner was now asking for the vacation of two streets and in doing so would be taking streets from the public and putting them into a private situation. She stated that after he allowed the property to get in deplorable condition, he was now being permitted to vacate streets and privatize them for his own purpose. She felt the owner could develop this project in a more community-friendly way.

Mayor Naugle stated that he was under the impression that the neighborhood wanted the streets closed and city-wide principles of crime prevention had been adopted through environmental design. This would fortify the neighborhood and increase property values.

Commissioner Smith stated that he did not disagree with Commissioner Katz, and if he had a choice he

would prefer to have this project integrate better with the neighborhood. The truth was that this project was located in the worst part of the neighborhood so they needed to fence themselves in. He further

stated that this project had nice design characteristics.

Commissioner Moore asked if the property had any violations on it. Commissioner Smith stated that it had been under the control of the Nuisance Abatement Board for a few years, but at the present time was no longer under their jurisdiction.

Cecelia Hollar stated that she was not aware of any code violations on the property.

Alyson Goodwin, attorney, stated there would be pedestrian access and a 24-hour monitored guard gate would be at the entrance on 17th Way. Where there was no guard present, a buzzer would be located on the gate and pedestrians could gain access.

Commissioner Moore continued to ask what the purpose was for the buzzer.

Ms. Goodwin clarified that they were seeking a vacation of the streets, and therefore, they would no longer be a public right-of-way. The streets were closed five years ago for vehicular traffic in order to improve the Lake Ridge neighborhood. The reality was that there was still a crime problem in the neighborhood and it was large enough that the financing involvements stated they would not finance a normal non-walled project for that area.

Commissioner Katz remarked that the condos were going to cost in the vicinity of \$400,000 and asked what would happen if the cost was reduced. Ms. Goodwin stated then it might not be commercially feasible to build the project. She also stated that the property owner was also the developer of the project, and technically it was three companies all owned by Brett Tannenbaum.

Commissioner Moore stated that the back-up information stated that the closing of the right-of-way shall not adversely impact the pedestrian traffic. He felt if you had to identify yourself and ring a buzzer, you were adversely impacted. Ms. Goodwin clarified that pedestrians would not have to identify themselves and the only reason for the buzzer was to let the guard know the amount of traffic going through. If people did not want to ring the buzzer, they could walk a total of two blocks out of their way. She invited the Commissioners to hear input from the residents in the area.

Mayor Naugle stated that this Commission had tried different things in different neighborhoods and were willing to experiment. Some worked and some didn't, but if it helped to reduce crime and retrofit older neighborhoods to be more like the desirable communities, then an experiment worked.

Commissioner Smith agreed and stated that if a compromise was necessary perhaps a buzzer system could be contemplated without a guardhouse. He also mentioned that an adjacent neighbor had stated his concerns regarding access to his driveway and wanted to know if that matter had been resolved. Ms. Goodwin stated that options were suggested so that he could have an unobstructed ingress and egress to his property. She stated they had also suggested putting in grass and sidewalks. The property owner stated that as long as this was mentioned for the record, he would be fine with the alternatives being offered.

Commissioner Katz stated that she felt neighborhoods should understand that what sounded good for the present time, might not be a good idea for the future, and she believed that this type of development was very unfriendly.

Commissioner Moore asked if the applicant was contemplating fencing in the complete neighborhood.

Ms. Goodwin replied only the project which was a portion of the neighborhood.

Commissioner Moore asked why this property had been under the Nuisance Abatement Board. Ms. Goodwin clarified that her client had only owned the property for the last five years and many of the problems were before he accumulated the property. All items had been resolved before that Board.

Mayor Naugle clarified that the property owner was negligent in regard to some matters, but now things had been improved.

Commissioner Smith disagreed and believed the problems were due to the property owner and he wanted him to accept that responsibility.

Brett Tannenbaum, owner, stated that there were drug arrests made on the property. He explained there were 264 hotel rooms and they paid for police detail in an attempt to control the properties. He stated that they followed the suggestions of the Nuisance Abatement Board and were under them for one year. Most problems have been taken care of and he stated that he was accepting responsibility for the problems at his properties.

Commissioner Smith introduced the following ordinance on first reading:

ORDINANCE NO. C-02-26

AN ORDINANCE VACATING, ABANDONING AND CLOSING A PORTION OF THE RIGHT-OF-WAY FOR NORTHEAST 17TH WAY (PLATTED AS 3RD ST), LYING BETWEEN BLOCKS 166 AND 167 AND BEING BOUNDED ON THE NORTH BY THE SOUTH RIGHT-OF-WAY LINE OF NORTHEAST 11TH STREET (PLATTED AS AVENUE "F") AND BOUNDED ON THE SOUTH BY THE EASTERLY EXTENSION OF THE SOUTH LINE OF LOT 5, OF SAID BLOCK 167; ALL AS SHOWN ON THE PLAT OF "PROGRESSO", ACCORDING TO THE PLAT THEREOF, RECORDED IN PLAT BOOK 2, PAGE 18, OF THE PUBLIC RECORDS OF MIAMI-DADE COUNTY, FLORIDA, BEING A STRIP OF RIGHT-OF-WAY 250 FEET IN LENGTH, BEGINNING AT THE SOUTH RIGHT-OF-WAY LINE OF NORTHEAST 11TH STREET AND EXTENDING TO THE SOUTH, SUCH LAND BEING LOCATED IN THE CITY OF FORT LAUDERDALE, BROWARD COUNTY, FLORIDA.

Commissioner Smith stated that the applicant had filed a lawsuit against him for \$5 Million in regard to comments he had made at a public meeting, but the matter had been thrown out and he just wanted to make sure there was no conflict of interest.

Commissioner Moore asked what they were going to do about pedestrian accessibility.

Mr. Tannenbaum replied that the wall would not be a concrete jungle and would consist of aluminum sections with concrete and landscaping. Pedestrian gates would be located along 11th Street that would be controlled either with a keypad or card. The Planning and Zoning Board had suggested the buzzer system. He explained they were looking to unite the neighborhood and not separate it. Mr. Tannenbaum further explained that the banks would not fund the project without some type of security.

Mayor Naugle explained Commissioner Smith's conflict question to the City Attorney. The City Attorney replied that there would only be a conflict if there was a financial interest involved.

Which ordinance was read by title only. Roll call showed: YEAS: Commissioners Hutchinson, Smith, and Mayor Naugle. NAYS: Commissioners Moore and Katz.

Vacate a Portion of N.E. 17 Terrace - Brett Tannenbaum
(PZ Case No. 2-P-02)

(PH-6)

At the Planning and Zoning Board regular meeting on July 17, 2002, it was recommended by a vote of 5-1 that the following application be approved. Notice of public hearing was published September 5 and 12, 2002. (Also see Item PH-5 on this Agenda)

Applicant: Brett Tannenbaum
Request: Vacate a portion of N.E. 17 Terrace
Location: N.E. 17 Way and N.E. 17 Terrace, south of N.E. 11 Street
between N.E. 17 Avenue and Victoria Park Road

Motion made by Commissioner Smith and seconded by Commissioner Hutchinson to close the public hearing. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith, and Mayor Naugle. NAYS: None.

Commissioner Smith introduced the following ordinance on first reading:

ORDINANCE NO. C-02-27

AN ORDINANCE VACATING, ABANDONING AND CLOSING A PORTION OF NORTHEAST 17TH TERRACE (PLATTED AS 4TH STREET), LYING BETWEEN BLOCKS 167 AND 168 AND BEING BOUNDED ON THE NORTH BY THE EASTERLY EXTENSION OF THE SOUTH LINE OF LOT 2, OF SAID BLOCK 168 AND BEING BOUNDED ON THE SOUTH BY THE EASTERLY EXTENSION OF THE SOUTH LINE OF LOT 6, OF SAID BLOCK 168; ALL AS SHOWN ON THE PLAT OF "PROGRESSO", ACCORDING TO THE PLAT THEREOF, RECORDED IN PLAT BOOK 2, PAGE 18, OF THE PUBLIC RECORDS OF MIAMI-DADE COUNTY, FLORIDA, BEING A STRIP OF RIGHT-OF-WAY 200 FEET IN LENGTH, LOCATED 200 FEET SOUTH OF THE SOUTH RIGHT-OF-WAY LINE OF NORTHEAST 11TH STREET AND EXTENDING TO THE SOUTH, SUCH LAND BEING LOCATED IN THE CITY OF FORT LAUDERDALE, BROWARD COUNTY, FLORIDA.

Which ordinance was read by title only. Roll call showed: YEAS: Commissioners Hutchinson, Smith, and Mayor Naugle. NAYS: Commissioners Moore and Katz.

City Commission District Boundaries

(PH-7)

A public hearing to consider an ordinance establishing, pursuant to Section 7.12 of the City Charter, geographical boundaries of the four City Commission districts so that such districts shall be as approximately equal in population as practicable. Ordinance No. C-02-23 was published August 23 and September 15, 2002, and was approved on first reading September 4, 2002 by a vote of 5-0.

Paul Costanzo, Office of Community and Comprehensive Planning, stated that the Commission had

adopted an ordinance upon first reading and directed staff to schedule Plan 1.3B-1 for public hearing this evening. This plan utilized the existing district boundaries and placed Riverland Southwest into District IV, and the Melrose Park neighborhood into District III. In addition, the areas bounded by Sunrise Boulevard on the north, the FEC railroad on the east, Sistrunk Boulevard on the south, Northwest 7th Avenue, Northwest 9th Street, and Northwest 7th Terrace on the west would be placed in District II. The

City View neighborhood would remain split between District II and III as it existed currently. The northern half of the River Run neighborhood would be moved into District IV where the balance of the existing neighborhood lay.

Commissioner Katz clarified that Sunrise Intracoastal would remain in District I. Mr. Costanzo replied that the existing District I boundaries would remain the same.

John McConaha, City View Townhomes Association, stated that today was Citizenship Day which was the first day of Constitution Week to commemorate the adoption of the US Constitution by the Constitutional Convention in 1787. He stated this was a reminder of a great concept of government for this country. A compromise was agreed upon on September 4, 2002 for City View regarding Plan 1.3B. He continued stating that the residents of City View were very upset at the tone of that meeting and as a result 55 residents met expressing their concerns regarding the comments aimed at City View. They wanted to notify the elected officials about their feelings. Due to the opinions stated at the September 4th meeting, residents at City View now feel that being represented by two Commissioners was not in their best interest, and that District II would be more beneficial to the Association. The residents wanted leadership that believed in them, not leadership which berated them.

Nancy Devane stated that she currently lived in District II and wanted City View in District II.

Ernie Leech stated that he believed that City View should be in one district.

Roosevelt Walters stated that due to the hard work of many people the area had been rehabilitated. He continued stating that Commissioner Moore had fought hard for the area. He suggested that the Commission adopt Plan 1.3B-1 as the final solution to this problem.

Arthur Lang stated that they were combining 90% of the black and Hispanic in one area and no prestigious areas allotted to the district. He stated they wanted to be connected to US1, but apparently that would not happen. He explained they had no position as to what district they would be in, and only wanted to feel as if they were part of the City.

Arthur Siegfried stated that two weeks ago their neighborhood had been slandered by Commissioner Moore when he stated that the neighborhood had acted in a racially motivated way. He stated they did not and that it was purely economical.

Motion made by Commissioner Smith and seconded by Commissioner Hutchinson to close the public hearing. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

Mayor Naugle asked if City View was in District II would that make the percentages better and reduce the variance.

Kurt Spitzer of Spitzer and Associates stated that if you moved the balance of City View into District II it would slightly improve the percentages and reduce the deviations.

Commissioner Hutchinson stated she was uncomfortable this evening because since she supported the neighborhoods to stay in their existing districts, she was inclined to agree with the residents of City View. She felt she would be a hypocrite if she did not support this city-wide.

Commissioner Smith stated that these were unfortunate circumstances and Commissioner Moore had fought for the Northwest more than anyone else. He did make some inappropriate comments that he probably regretted. He felt they needed to listen to the citizens and who they wanted to represent them.

Motion made by Commissioner Smith and seconded by Commissioner Hutchinson that they adopt Plan 1.3B.

Commissioner Moore asked what that would do in regard to the issue raised at the last meeting regarding the 7th Avenue impact.

Mr. Spitzer clarified that the 7th and 9th Connectors would remain, and the remaining two blocks of City View would move into District II.

Commissioner Moore stated that on the proposed map he would be losing some of his present district which ran to Sunrise Boulevard west of the railroad tracks and east of Andrews Avenue, and asked how many people were in that area. Kurt Spitzer stated there were 157 people in City View and only four people lived in District III, and the balance were in District II.

Roll call showed: YEAS: Commissioners Hutchinson, Katz, Smith and Mayor Naugle. NAYS: Commissioner Moore.

Motion made by Commissioner Smith to introduce the ordinance on second reading as amended:

ORDINANCE NO. C-02-23

AN ORDINANCE ESTABLISHING, PURSUANT TO SECTION 7.12 OF THE CITY CHARTER, GEOGRAPHICAL BOUNDARIES OF THE FOUR CITY COMMISSION DISTRICTS SO THAT SUCH DISTRICTS SHALL BE AS APPROXIMATELY EQUAL IN POPULATION AS IS PRACTICABLE.

Which ordinance was read by title only. Roll call showed: YEAS: Commissioners Hutchinson, Katz, Smith and Mayor Naugle. NAYS: Commissioner Moore.

**Vacate a Portion of S.W. 18 Court - City of Fort Lauderdale/
Engineering services Bureau (PZ Case No. 3-P-02)**

(O-1)

At the Planning and Zoning Board regular meeting on July 17, 2002, it was recommended by a vote of 6-0 that the following application be approved. Ordinance No. C-02-24 was published August 23 and 30, 2002, and was approved on first reading September 4, 2002 by a vote of 5-0.

Applicant: City of Fort Lauderdale/Engineering Services Bureau
Request: Vacate a portion of S.W. 18 Court
Location: S.W. 18 Court, north of S.W. 20 Street between the
Florida East Coast (FEC) Railroad and S.W. 1 Avenue

Commissioner Moore introduced the following ordinance on second reading:

ORDINANCE NO. C-02-24

AN ORDINANCE VACATING, ABANDONING AND CLOSING

THE SOUTHWESTERLY 65 FEET OF THE SOUTH HALF OF SOUTHWEST 18TH COURT, (PLATTED AS MARION AVENUE), AS SHOWN ON THE PLAT OF "CROISSANT PARK", ACCORDING TO THE PLAT THEREOF, RECORDED IN PLAT BOOK 4, PAGE 28 OF THE PUBLIC RECORDS OF BROWARD COUNTY, FLORIDA; LYING NORTHEASTERLY OF THE NORTHWESTERLY EXTENSION OF THE WEST LINE OF LOT 1 OF BLOCK 59, OF SAID "CROISSANT PARK", LOCATED BETWEEN SOUTHWEST 1ST AVENUE AND FLAGLER AVENUE, SUCH LAND BEING LOCATED IN THE CITY OF FORT LAUDERDALE, BROWARD COUNTY, FLORIDA.

Which ordinance was read by title only. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

Amend Chapter 28 - Rates for Water, Wastewater and Stormwater

(O-2)

An ordinance amending Chapter 28 of the Code of Ordinances entitled, "Water, Wastewater and Stormwater," by amending Sections 28-76, 28-141, 28-143, 28-144 and 28-145 thereof to increase wastewater user rates, tapping charges, water rates, sprinkling meter charges, and private fire service protection charges. Ordinance No. C-02-25 was published August 25, 2002, and was approved on first reading September 4, 2002 by a vote of 5-0.

Commissioner Smith left the meeting at approximately 9:50 p.m.

Commissioner Moore introduced the following ordinance on second reading:

ORDINANCE NO. C-02-25

AN ORDINANCE AMENDING CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF FORT LAUDERDALE, FLORIDA, ENTITLED "WATER, WASTEWATER AND STORMWATER," BY AMENDING SECTIONS 28-76, 28-141, 28-143, 28-144, AND 28-145 THEREOF, TO INCREASE WASTEWATER USER RATES, TAPPING CHARGES, WATER RATES, SPRINKLING METER CHARGES, AND PRIVATE FIRE SERVICE PROTECTION CHARGES.

Which ordinance was read by title only. Roll call showed: YEAS: Commissioners Moore, Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

Amendment to the Pay Plan - Pay Range Amounts

(O-3)

An ordinance amending the Pay Plan of the City, modifying the schedules for pay range amounts for supervisory, professional, managerial and confidential employees. Notice of proposed ordinance was published September 7, 2002.

Commissioner Moore introduced the following ordinance on first reading:

ORDINANCE NO. C-02-28

AN ORDINANCE AMENDING THE PAY PLAN OF THE CITY OF FORT LAUDERDALE, FLORIDA MODIFYING THE SCHEDULES FOR PAY RANGE AMOUNTS FOR

SUPERVISORY, PROFESSIONAL, MANAGERIAL AND
CONFIDENTIAL EMPLOYEES.

Which ordinance was read by title only. Roll call showed: YEAS: Commissioners Hutchinson, Katz, Moore and Mayor Naugle. NAYS: None.

Commissioner Smith returned to the meeting at approximately 9:51 p.m.

**Amendment to Plat and Non-Vehicular Access Line - School Board
of Broward County - Administrative Facility Plat (PZ Case No. 15-P-02)**

(R-1)

A resolution approving an amendment to the plat note and non-vehicular access line for the following application:

Applicant:	School Board of Broward County
Request:	Amendment to plat and non-vehicular access line
Location:	1320 S.W. 4 Street

Commissioner Hutchinson asked staff if they were requesting to have this item deferred.

Cecelia Hollar, Director of Construction Services, stated that staff's position was that this item should be deferred to coincide with the proposed site plan and rezoning which was necessary to implement this project. Currently, the site was zoned as Community Facility which did not permit residential units. The rezoning and site plan would address those issues.

Commissioner Smith left the meeting at approximately 9:57 p.m. and returned at 9:58 p.m.

Commissioner Katz asked for further clarification of the letter they received stating that the submission was a temporary measure.

Ms. Hollar explained that the County required that the City provide a letter to them so that the County can proceed regarding the plat amendment. The applicant was requesting approval to proceed with the process and they would not record the plat until after the site plan and rezoning had come before the Commission. She stated that staff suggested they deal with the issues simultaneously so then Commission could make a value judgment as to whether or not the plat amendment was consistent with the plan. Staff felt the applicant was asking the Commission to act prematurely on these aspects and were attempting to expedite the process.

Commissioner Hutchinson stated that everyone knew this parcel was going to be challenging when the idea was presented. She was under the impression they would do what they could without actually giving their blessing since there were a lot of hurdles facing the project. Ms. Hollar stated that staff was following Code and the present zoning did not permit residential units, and the applicant was asking the Commission if they were comfortable letting them proceed with the plat note recognizing they would have to come back with the site plan.

Susan Delegal, attorney representing the applicant, stated there has been a great deal of cooperation between staff and the developers. She explained there was a tight time frame for completion of the land use issues in order to meet the requirements of the contract that Lennar had with the School Board, and to be able to close at the beginning of 2003. She stated they needed to proceed with the County who had a long and laborious process. She explained they needed the approval of the plat note so it could coincide with the approval of zoning.

Ms. Delegal stated that the County was willing to accept a conditional application and letter of no objection which would be conditioned on staff being able to revise or withdraw it. She further explained that they would not execute any documents which were not consistent with what the City Commission would

approve regarding rezoning and site plan.

Commissioner Moore left the meeting at approximately 10:02 p.m. and returned at 10:03 p.m.

Commissioner Hutchinson asked staff for their opinion regarding the letter of no objection.

Ms. Hollar explained that the County would proceed and act on the plat note, but the plat would not be recorded.

The City Attorney explained that the resolution was actually "approving" and suggested they change the language to read "resolution expressing no objection to an amendment to the plat." He further stated that the Land Use Regulations would provide controls.

Motion made by Commissioner Moore and seconded by Commissioner Hutchinson to approve the change in language to the resolution.

Chuck Willard explained that he was the only resident on the west side of the School Board property. He stated that Lennar was asking for a PUD zoning. He urged the City Commission to proceed cautiously and consider the neighborhood as a whole regarding this project.

Don Wilkin, architect and resident, stated that they were grateful that a developer had entered the picture to rehabilitate a derelict property. He stated the community's concerns were not implement in the new site plan. At the Historic Preservation Board meeting, discussion centered around the density of the development. Mr. Wilkin explained that the community took upon themselves the burden of having an extra level of review and process to go through in regard to development because they wanted to maintain a certain character and density for the community. He stated no one was opposed to good planning and development, but there was a fair number which the community would be comfortable with and that number was approximately 180 units, not 271 units as being proposed.

Mr. Wilkin asked the Commission to consider adding language that could limit the number of units for the project.

Commissioner Hutchinson asked if the plat amendment was subject to change as it went through the system. Cecelia Hollar explained that once the City stated it had no objection, it would proceed to the County. She reiterated that a lot of the site plan issues were not yet on the table for the City to discuss and this was one of staff's concerns.

Michael Ciesielski, Planner II, stated that this project had already been presented to the Historic Preservation Board and the demolition of the administrative buildings had been approved, along with the alteration of the school and both were subject to the 30-day Commission call-up. He further stated that the Board had tabled until next month the request for Certificate of Appropriateness for new construction. One of the concerns of the Board was the variety of buildings being proposed, and another major concern was density. They wanted to make sure that the Commission had the full flexibility and latitude to determine the number of units when they reviewed the rezoning and site plan.

Commissioner Hutchinson remarked that she had been supportive of the process for the project, but she did not intend to circumvent their process just so things could be expedited.

Mayor Naugle stated that when this came to the Commission on May 15, 2001, the conceptual plan was presented by Mr. Zyscovich and he stated that the units would not exceed 250, but already they have been

increased. He suggested that at a minimum they should be held to the 250 units.

Commissioner Katz left the meeting at approximately 10:16 p.m. and returned at 10:18 p.m.

Lisa Maxwell, Director of Redevelopment for Lennar Homes, stated that at the time they brought this to the Commission in May, they were in the early preliminary stages of their conversations with Art Space who they have maintained as a not-for-profit partner in the project. In May they did not realize the number of units that would be needed by Art Space in order to make their side of the project work and this was the reason for the increase in numbers. Ms. Maxwell stated that the issue before the Commission was not an attempt to circumvent the process. They agreed and would commit to not record or move forward with any agreements until the Commission had taken final action on the site plan and the rezoning. She explained that the Commission would not be limiting their flexibility in any way, but simply allowing them to move forward in the County's process.

Mayor Naugle asked for clarification as to whether the waterfront parcels were to be single-family units as stated previously. Ms. Maxwell explained that the Land Use Amendment that the City originally filed with Art Space was for low 10 on the river frontage and RM-25 for the remaining property, and that same application was submitted and recently adopted by the County Commission. The land use on the river portion currently was residential and low 10 to the acre, and the remaining parcel was RM-25.

Commissioner Smith agreed with the Mayor and Mr. Willard in that the trend had to be to retain the single-family neighborhoods. Commissioner Hutchinson asked if the Commission did what Lennar was requesting would it take away any of their power. The City Attorney replied it did not take away any of the Commission's powers. He explained that the issue before the Commission tonight was whether they would pass a resolution saying they had no objection to the County amending a note on the plat. When they adopted the PUD, density would then be assigned to the project and it didn't matter what the note stated. Mayor Naugle suggested that they designate the number of units at 220 at this time. The City Attorney explained that this would limit the Commission's flexibility.

Commissioner Moore stated that he had worked on replatting issues with the County in the past, and he would prefer to leave the number opened and see if Lennar was working with the non-profit entity. Then, the Commission could have the opportunity of increasing the numbers. He remarked that they were the urban area of Broward County.

Ms. Delegal explained that the purpose of a plat note was to establish the amount of impact fees which would be paid prior to the pulling of a development permit, and was not the document which would govern what the development level would be because that would be done through the site plan and zoning. If the PUD zoning was created, this would be the most scrutinized project ever to come before the City.

Mayor Naugle stated that he did not believe this and felt that the number of units should be limited at this time. He reminded everyone that a representation was made in May that the number would be 250 and already it had increased as mentioned previously. The City Attorney stated they would not lose if they limited the numbers.

Commissioner Moore introduced the resolution, as amended:

RESOLUTION NO. 02-154

A RESOLUTION OF THE CITY COMMISSION OF THE CITY
OF FORT LAUDERDALE, FLORIDA, EXPRESSING NO
OBJECTION TO AN AMENDMENT TO A NOTE AND A NON-
VEHICULAR ACCESS LINE ON A PLAT KNOWN AS
"ADMINISTRATIVE FACILITY."

Amendment to Agreement - Florida Inland Navigation District (FIND) (R-6)
Waterways Assistance Program Grant - George English Park
Boating Improvements

A resolution authorizing the proper City officials to execute an amendment to the agreement with FIND for a Waterways Assistance program Grant for the George English Park boating improvements, to allow for a one-year extension of the project from September 1, 2002 to September 1, 2003.

Commissioner Smith introduced the following resolution:

RESOLUTION NO. 02-159

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA, AUTHORIZING THE PROPER CITY OFFICIALS TO EXECUTE A FIRST AMENDMENT TO THE WATERWAYS ASSISTANCE PROGRAM GRANT WITH THE FLORIDA INLAND NAVIGATION DISTRICT TO EXTEND THE GRANT PERIOD TO COMPLETE PROJECT IMPROVEMENTS TO SEPTEMBER 1, 2003.

Which resolution was read by title only. Roll call showed: YEAS: Commissioners Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.

**Results of Negotiations for Purchase of Insurance -
Employment Practices Liability Insurance and Public
Officials Liability Coverage**

(R-7)

A resolution authorizing the proper City officials to renew the public officials liability insurance policy with National Union Fire Insurance Company; and further authorizing the rejection of offers for Employment Practices Liability Insurance.

Commissioner Smith introduced the following resolution:

RESOLUTION NO. 02 -

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA, PURSUANT TO SECTION 2-199 OF THE CODE OF ORDINANCES, AWARDING A CONTRACT TO NATIONAL UNION FIRE INSURANCE COMPANY FOR PUBLIC OFFICIAL LIABILITY INSURANCE AND REJECTING THE PROPOSAL FOR EMPLOYMENT PRACTICES COVERAGE.

Which resolution was read by title only.

Mayor Naugle asked what was the recommendation of the Insurance Advisory Board on this matter.

Terry Sharp, Assistant Finance Director, stated their recommendation was to negotiate for this coverage and get the best deal possible. Mayor Naugle asked when the current policies would expire. Mr. Sharp replied they expired on September 30th.

Commissioner Katz asked if anything under \$1 Million would not be covered. Terry Sharp stated it meant there would be no outside carrier providing any type of coverage for employment practices. He stated it was his opinion to give Stephen Scott, the new Director for the Office of Professional Services, the chance to organize his office and then they could go back out into the market.

Commissioner Smith remarked that it was unfortunate and hopefully no additional discrimination suits would come in.

Roll call showed: YEAS: Commissioners Hutchinson, Katz, and Smith. NAYS: Mayor Naugle.

Commissioner Smith asked Mayor Naugle to further explain his no vote. Mayor Naugle stated that the

Insurance Board did not have the chance to advise the Commission. Commissioner Smith asked if the Mayor preferred to have this matter deferred. He felt this was not the time to drop this type of coverage.

Motion made by Commissioner Smith and seconded by Commissioner Hutchinson to reconsider the motion. Roll call showed: YEAS: Commissioners Hutchinson, Smith and Mayor Naugle. NAYS: Commissioner Katz.

Mayor Naugle suggested that a special meeting of the Insurance Advisory Board could be held at which time a special meeting of the City Commission could be called prior to October 1st.

Motion made by Commissioner Smith and seconded by Commissioner Hutchinson to schedule special meeting of the Insurance Advisory Board and then City Commission. YEAS: Commissioners Smith, Hutchinson and Mayor Naugle. NAYS: Commissioner Katz.

Negotiations for Purchase of Insurance - Excess Workers Compensation Insurance Coverage

(R-8)

A resolution authorizing the proper City officials, in accordance with City Code Section 2-199, to conduct negotiations for the purchase of excess workers compensation insurance coverage for the City.

Commissioner Smith introduced the following resolution:

RESOLUTION NO. 02-160

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA, PURSUANT TO SECTION 2-199 OF THE CODE OF ORDINANCE, AUTHORIZING THE CITY MANAGER TO CONDUCT NEGOTIATIONS FOR THE PURCHASE OF EXCESS WORKERS COMPENSATION INSURANCE.

Which resolution was read by title only. Roll call showed: YEAS: Commissioners Hutchinson, Katz, Smith and Mayor Naugle. NAYS: None.
